PETITION FOR REVIVAL UNDER 37 C.F.R. 1.137(b)

Office of Petitions - MAIL STOP DAC
 Commissioner for Patents

Sir:

The above-identified application became abandoned for failure to timely reply to the Decision on Petition in response to the correspondence filed on April 8, 2006. More specifically, Applicants unintentionally referred to international application "PCT/US2003/027849" in both a Transmittal letter filed March 4, 2005 and in a Declaration filed on April 8, 2006. Applicants intended to refer to international application "PCT/US2003/027894" with an international filing date of September 5, 2003, which claims priority to September 11, 2002 and entitled "Compositions and Methods for the Diagnosis and Treatment of Tumor". Due to the unintentional error, international application PCT/US2003/027894 became abandoned due to failure to pay the basic national fee, as the fee was paid in reference to international application PCT/US2003/027849.

Applicants hereby petition for revival of this application and states that the entire delay in filing the required reply from the due date for reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Applicants enclose herewith (i) a corrected Transmittal letter, (ii) a newly executed Combined Declaration for Patent Application and Power of Attorney and (iii) an Application Data Sheet, all of which now correctly reference international application PCT/US2003/027894. For the Office's convenience, Applicants also enclose copies of the incorrectly filed Transmittal letter and Declaration. Applicants further request the office to credit the basic national fee previously paid with respect to international application PCT/US2003/027849 to international

application PCT/US2003/027894. A Terminal Disclaimer equivalent to the number of months from abandonment to the filing of this petition also is enclosed herewith.

The Assistant Commissioner is hereby authorized to charge Applicant's Deposit Account No. 07-0630 in the amount of \$1,500.00 to cover the cost of the present petition for revival of an unintentionally abandoned application. Any deficiency or overpayment should be charged or credited to this deposit account.

Respectfully submitted,
